

No. 130012

Certificate of Achievement

A study on Quantification of mixing state in solutions with chemical waves induced by Belousov-Zhabotinsky reaction

Grand prize
Doshisha University
Yasunao Okamoto

This award is presented to the above mentioned researcher for his excellent achievement in the 13th Korea-Japan Symposium on Materials and Interfaces(KJSMI) hosted by the Korean Institute of Chemical Engineer(KIChE) and the Society of Chemical Engineers, Japan(SCEJ).

Nov. 22th, 2018

Co-conference Chair of 13th KJSMI

Prof. Lee, Wongsu
